SUNYOGA, MEDITACIJA GLEDANJA U SUNCE

What if Sun is not dangerous?
What is Sun is not your enemy?
What if the Sun is healing your body?
What if you can make friendship with the Sun? Does the Sun have the power to give us spiritual, mental and physical progress?
What can our life be like?
You can find out more about the wellbeing of Sunlight energy personally from Sunyogi Umashankar this spring while Swamiji is on his tour in Europe. Swamiji has dedicated his life to humanity through the Sunyoga meditatation tehnique, acupressure and through the Universal Peace center, spiritual centre which he founded in India, Lachipur, West Bengal. He spent a few years in the Himalayas, temperatures bellow -40 C surviving only on Sun energy iand very little food. Take the chance to be in the presence of SunYogi from 5-7.9. in Slovenia near Postojna. On a three day course, fresh vegetarian meals on a beautiful location near the Nacional park Škocjanska Jama Awaken your Divine nature through the morning Sun rays and Swamijis personal training.

SUNYOGA

People use to travel the far east searching for a Master to show them the way to selfrealization. This time you don't have to travel far. Open the gates of your heart through friendship with the Sun, may the Light be an ever new dawn in your life.
